

FINANCIAL RISE IS NOTED HERE

20 Years Ago

From The Comanche Chief,
November 12th, 1915

Miss Glenyth Kearby, daughter of Judge and Mrs. J. P. Kearby has been elected to a position in the Comanche Schools. On October 18, 1915 there had been ginned in Comanche County 808 bales of cotton as compared to 9930 on the same date in 1914.

On Saturday and Monday, last, figures obtained from 7 general merchandise establishments in Comanche show that there were spent in Comanche \$16,600, the biggest two days of business within ten years. There were sold on the streets of Comanche during these two days \$2,000 worth of hogs, \$15,000 worth of apples, \$4500 worth of peanuts, \$1000 worth of produce, aside from cotton, oats and other commodities.

The Comanche County peanut crop has been estimated at 1,000,000 bushels. Already De Leon has shipped 52 cars, Comanche 10 and Sipe Springs 2. D. H. Cunningham yesterday received a telephone message from Governor James E. Ferguson stating that he had been appointed Chairman of the State Livestock Sanitary Commission.

The Comanche High School football team and the girls basketball team will go to Stephenville Saturday where they will play John Tarleton College.

Mr. Drennan of Sidney was in Comanche Saturday exhibiting a 2 pound potato raised on the B. Chilton farm. He raised 50 bushels per acre, he said.

Girl friends of Miss Mary Lee Cadenhead and Louise Burks were entertained at the Cadenhead home Friday evening with a Halloween party. Guests were Christine Donahoe, Bonita Webb, Ma Mae Switzer, Maidee Williams, Frankie Adams, Velma Wood, Alice Ory, Glennie Hoff, Alma Atwood, Ruby Lusk, Mary Blue, Nita Huddleston, Florine Fels, and Guida B. Kittle. Marriage Licenses: R. L. Pirch and Miss Annie Hornby; O. T. Sweeden and Miss Katie Hilbreath; Ernest Bear and Miss Irene Tunin, Dan Butler and Miss Hulda Lindsey.

County Agent D. F. Eaton has been awarded a free trip to St. Louis for making the best showing of any agent in Texas. He won over 70 other agents.

De Leon High School defeated the Cisco High School in a football game Saturday 15 to 0. Thomas A. Edison comes on with the statement that science will some day make it possible in time of war to kill a thousand men by pressing a button.

Hands are scarce in Comanche County and the farmers are complaining for lack of help in harvesting the peanut crop. Hired help can hardly be had in Comanche at any price.

Did you notice the large number of advertisements in last week's Chief. Several stores put on big sales and they did not fail to advertise. People filled Comanche the week end as they have not done in ten years. A concerted advertising campaign is bringing people to Comanche to trade and why not? Where can you get as good merchandise for the money.

One reason for Comanche's success in athletics for the past several years is that, the boys are taught to play in the grades. For several years the East Side, the West Side and the Grammar School have had football teams as well as two or three teams at the High School.

Attorney A. E. Hampton of De Leon is attending court in Comanche this week.

Receiving their guests on the point of a pitch fork Mr. and Mrs. C. P. St. Clair entertained with a spooky party Saturday night for their daughter, Gene, who is at home from Baylor Belton. The guests included Bonnie Russell, Eula Clarke, Lea Allen, Gladys Dupree, Evelyn Thodberg, Rita Harris, Grace Fitzpatrick, Lillian Hill, Floy Collins, Thelma Gray, Estelle and Reese and Messrs Catter, Ray, Sartwell, Moore, Allison, Stanton, Thodberg, Reese, Binion, Garrett, Evan Palmer, Ree Cunningham and Goodson Rieger.

Homer Randolph has gone to Plainview to look for a location.

Miss Eunice Gray was a visitor in Brownwood Monday. J. V. (Dyke) White for many years with Higginbotham's at De Leon died Monday and was buried there Tuesday according to Comanche friends.

BARTON ASKED TO RESIGN BY COURT

ACTION IS DUE TO PRESSURE OF COUNTY GROUP

County Agent Says He Believes 75 Per Cent of Farmers Desire Him to Continue Work Here

By a vote of 3 to 1 the Commissioners Court, in session here Monday, called for the resignation of County Agent J. A. Barton, effective January 1st. LeVerette Little, Commissioner of Precinct No. 1, voted against the motion asking the Agent's resignation. Commissioners Sam Lewis, E. H. McCarty and Ed Lightfoot voted to ask Barton to vacate his position.

County Judge R. S. McCharen said when interviewed Thursday morning that another Agent would be employed to begin work January 1st. The Judge said he had a letter from the A. & M. College Extension Service stating that the department was well pleased with the work of County Agent Barton, but that it would make other recommendations if it was the desire of the people. The Judge said pressure brought on members of the Court was the reason for asking Barton to resign.

Mr. Barton, who has been County Agent here for about 15 years, when interviewed, said that he did not wish to continue in office against the will of the people, but from the expression of farmers he believed 75 or 85 per cent were in favor of retaining him. Mr. Barton said that he had turned down offers to go to other counties at an increased salary, but had declined, because he liked to live in Comanche County and to serve the citizens of this section.

Members of the Comanche County Anti-AAA Club, of which L. E. Creamer is Chairman, have held several meetings recently in which they asked for the resignation of Mr. Barton, and at one time asked that the Agent and his assistants vacate their offices within a three day period. A committee from this organization recently appeared before the Commissioners Court.

Members of the Anti-AAA Club maintain that the farmers here are not receiving fair treatment in regard to the Government farm programs.

Martin Hanson and son, Henry, visited in Brownwood Sunday.

Jack Fryar spent the week end in Ballinger with relatives.

COMANCHE vs. GUSTINE
Comanche High School Football Team will meet the Gustine Sound on the local gridiron this afternoon at 3:30. Admission: Children 10c; Adults 25c.

Mr. and Mrs. Martin Hanson and children, Olice, Henry, and Walter Gleen went to Dublin Saturday.

A Worthy Memorial To Will Rogers What Will You Do?

The friends of Will Rogers—and that means nearly everybody in the United States—will erect a fitting memorial in honor of America's "Disciple of Good Cheer."

Someone has remarked: "Will Rogers would rather each of his friends would give 25c, than for a few to give a million."

That's just the plan: Give everybody in America the privilege of making a donation to the Will Rogers Memorial. Many small donations welcomed. Larger donations gladly accepted. Will Comanche County Do Part?

At Comanche, donations will be accepted at the Postoffice, and at the office of the Comanche Chief. When the money is received it will be forwarded to the Will Rogers Memorial head-

SCHOOLS ALL SET FOR FETE HERE TODAY

Patriotic Program Will Be Held On High School Campus This Afternoon

(By J. L. Bramlette)
Forces of Comanche are uniting in a program to be rendered on the High School campus at 2 o'clock this afternoon. The three schools of Comanche, the West Ward, the Grammar School, and the High School will have their students in the parade and formation on the High School grounds for the program. The organizations of the city are uniting in this patriotic program from 2 to 3 p. m.

The Lions Club was left off the list last week, but they are by no means left out of the program. They have donated funds for our drum corps and sponsored our band along with the City Council of Comanche.

The program will start promptly at 2 and close at 3 p. m.

Football Game
The Comanche Indians will have their last game of the season on the home grounds, before they meet De Leon in the Thanksgiving game, here this afternoon with the fast team from Gustine. Gustine is one of our best schools in the county and right now has one of the best football teams in this section. Their record thus far is a credit to any town many times the population of Gustine. It follows: Gustine 19, Tolar 0; Gustine 26, Comyn 0; Gustine 6, Desdemona 22; Gustine 6, Dublin 27.

Admission this afternoon will be 10c and 25c.

Gustine plays the strong team from Hamilton next week.

J. O. LIGHT HOME SCENE OF FIRE

Blaze Breaks Out Sunday Near Midnight

Fire of undetermined origin badly damaged the J. O. Light five room residence in Comanche about midnight Sunday.

Mr. Light said he was awakened by smoke that was filling his room and barely escaped in his night clothes when flames broke out.

Mrs. Light and children were visiting in Stephenville at the time of the fire.

The Fire Department responded quickly when the alarm was turned in and did good work in extinguishing the flames before the building was completely destroyed.

Mr. Light said he considered both the building and contents almost a complete loss which was partially covered by insurance.

CANDIDATES IN CHIEF CAMPAIGN TO KNOW RATING

Nominations Will Be Received Up to 9:00 P. M. Wednesday November the 20th

Next Thursday the names of the persons nominated thus far in The Comanche Chief's New Deal "Everybody Wins" \$3,000.00 Gift Election will be published—the first time anyone will have an opportunity to see just who are seeking the great capital prizes.

Will YOUR name be on the list? Unless some real activity takes place between now and then, The Chief predicts that the list will surprise a good many people who may exclaim wonderingly, "Is that all that have entered so far? Why I thought there'd be lots more than that."

The list certainly would surprise you if it were published today. With only a few more weeks remaining until the mammoth New Deal campaign comes to a close, there are still many sections of the city and country without representatives. Quite likely you would find that your own section is unrepresented or virtually so.

However, the fact that the campaign is progressing toward an end does not mean that your chance is gone; it simply means that the time is at hand when you must seize the golden opportunity if you are going to do so. Subscriptions still count most heavily in votes during this period, and because there are so few candidates who have applied themselves so far, you have an excellent opening to roll up your sleeves and place yourself among the leaders in a jiffy.

Nominations will be received up to 9:00 p. m. Wednesday, Nov. 20th for Thursday's list. Fill out your nomination blank and have a talk with the campaign manager here before that time, and you will find your name in the list and yourself on the way to the biggest dividends you have ever drawn in your spare hours.

FIRE DAMAGES BUSINESS HERE

Huff Jewelry Store Is Scene of Blaze Monday

Fire of undetermined origin, which is believed to have started underneath the flooring, partially destroyed the Wade Everidge building which housed the J. H. Huff Jewelry Store on the south side of the square and damaged the Southwest Gas Office, late Monday afternoon.

Mr. Huff said his \$2750 jewelry stock was almost a complete loss with the exception of few valuables which he carried in his safe. Only \$500 insurance was carried on the stock and fixtures.

The interior of the building was badly damaged and only the good work of firemen saved it from a complete loss.

The fire was discovered by Ed Sanders, proprietor of the Owl Confectionery, who turned in the alarm when he saw smoke coming from the building about 6:30 p. m. Armistice Day. Few people were on the square at the time due to the holiday.

Mr. and Mrs. T. O. Lane and children of San Angelo spent the week end in Comanche with relatives.

Charlie Bryson of Oroville, California spent last week in Comanche with relatives.

Mr. and Mrs. J. I. Starr were Fort Worth visitors Monday.

OTHER WORK IN COUNTY DUE TO GET UNDERWAY

Work Orders Call For 122 Men And Ten Trucks On Project For Comanche

Work preparatory to hard surfacing the streets of Comanche will get underway Tuesday according to orders received from Federal authorities.

The work order calls for 122 men and ten trucks on Project No. 2 which includes the hard surfacing of College Avenue from its intersection of Highway No. 81 at the D. C. Clarke residence west past the Comanche High School and the Dr. A. J. Gray residence to the intersection of the street which runs by the C. P. St. Clair residence. The other street included on this project is the street running east of the E. H. Jones residence past the Mrs. T. O. Moore residence on north to the D. C. Bailey place.

It has not been definitely announced at what point on these streets work will begin first.

Total appropriation for this work is \$18,874 by the government with certain expenses to be met by the City of Comanche. City officials went to Dallas Wednesday to purchase machinery for the work.

Other Projects Approved

Two other projects for street paving in Comanche have obtained final Washington approval. One calls for \$20,230 for building Highway No. 36 from the Brownwood Highway in the western part of the city, north by the Sam Switzer residence to the city limits west of the reservoir.

The other project is for \$18,253.00 and is for paving North Main Street from the J. C. Gaddy Filling Station west to the E. H. Jones residence and from the northeast corner of the square east to the Wm. Chilton residence and for hard surfacing West Main Street north past the Baptist Church to the O. O. Brightman residence and south from the City Hall to the Tee Plant. This project also calls for hard surfacing Depot Street.

Work orders for the last two projects have not yet been issued.

FARMERS WILL GET \$79,000.00

Peanut and Cotton Growers Will Receive Checks

Seventy-nine thousand dollars in Government checks will be distributed next week among the peanut and cotton farmers of Comanche County according to County Agent J. A. Barton.

Of this amount \$55,000 will go to peanut farmers and a little more than \$24,000 to cotton producers.

Wortham Will Give Out Second Rental Checks

Second Rental cotton checks for 1935 will be given out by Tom Worth, Asst. in Cotton Adjustment, beginning Tuesday, Nov. 19 at Sidney at 8:30 a. m.; Sipe Springs, 11 a. m.; Duster, 2:30 p. m.

On Wednesday, Nov. 20, Wortham will be at De Leon at 1:30 p. m.; Thursday, Nov. 21, at Gustine, 8:30 a. m.; Energy, 2 p. m.; Friday, Nov. 22, Proctor, 8:30 a. m.; Lamkin, 1:30 p. m. Saturday, Nov. 23, Wortham will distribute the checks at Comanche.

Weldon Preston was a Fort Worth visitor Monday.

CONTRACT ON 36 EAST DUE TO BE LET BEFORE JAN. 1

Other Work On Route Due To Begin At Gustine And West of City of Comanche

A definite allotment of \$50,000 for building six miles of Highway No. 36 East from Comanche has been made and the contract will be let by January 1st, according to Hilton Burks who said that he obtained the information from Leo Ehlinger, District Engineer.

The allotment was made by the State Highway Department and is out of an appropriation of \$195,000 allotted the Brownwood District for eleven counties. The Comanche project was made the No. 1 of the district due to the removal of the Cotton Belt Railway from this county.

The present allotment will be sufficient to build No. 36 from the Frisco Railway near the Comanche City Limits east to Creamer, according to Mr. Burks who said that by the time that project was completed more funds will be available.

In addition to the allotment by the State Highway Department, Gustine is due to receive \$78,000 from the WPA office at Waco for lateral roads, most of which will be used for building Highway No. 36 in that section, Burks stated.

WPA funds have also been approved for building Highway 36 from the Comanche City Limits West for about six miles.

The combined money from the State Highway Department and the WPA will insure the completion of a total of about 22 miles of Highway 36, Burks said.

GIVEN 2-YEAR PRISON TERM

Judge Expects Grand Jury to Complete Work

R. R. (Roy) Smith of Rising Star was given two years in the penitentiary by a jury in District Court here Tuesday. Smith was charged with the burglary of a saddle at Comyn.

Len Smith, charged with the same crime as his brother, Roy, went on trial Thursday morning.

C. E. Simms of Gorman, charged with driving a car while intoxicated was found not guilty. It was the second trial for Simms. The case on trial last week resulted in a hung jury.

This is the last jury week according to Judge R. B. Cross who said that the non-jury civil docket would be resumed next week. Judge Cross said that he expected the Grand Jury to reconvene either next week or the following week to complete its work and make a final report.

CAGE PLAY IS SET FOR LAMKIN

Tournament Will Be Held On November the 23rd

A mammoth basketball tournament for both boys and girls will be held at Lamkin on Saturday, November 23, according to Supt. Perry Moring who said any high school team is Texas is eligible to enter.

Last year over a thousand people attended the Lamkin tournament with more than 20 teams taking part in the play. Comyn girls and the Pottsville boys were winners in the finals last year.

Attractive trophies will be awarded winners, Mr. Moring announced.

CROPS, WORK AND A. A. A. PROGRAM BRINGING CASH

Bank Deposits Show Marked Increase Over Last Call Made In July

More money than within several years is due to be put in circulation in Comanche County this week and next. Nearly \$80,000.00 in government checks for farmers, including \$55,000 for the peanut growers and \$24,000 for cotton farmers was received this week.

One hundred and twenty-two men are to be put to work on the streets of Comanche Tuesday at the government wage scale.

Turkeys are now coming in rapidly and were being marketed Thursday at 20 cents per pound.

The biggest pecan crop raised in this county since 1929 is now being marketed and even at reduced prices in bringing growers good returns.

The peanut crop is reported to be the best in several years and the nuts were bringing as high as 80 cents per bushel Thursday.

About 100 men will be put to work Tuesday at Sipe Springs under the direction of Commissioner LeVerette Little on a lateral road from that place to the intersection of Highway No. 36 north of Sidney, a distance of six miles.

Bank Deposits Show Rise

Bank deposits in Comanche are up more than \$86,000.00 above those in July when the last call was made and \$64,606.05 more than those when the call was made in the fall of 1934.

Combined deposits of the Comanche National Bank and the State National Bank as carried in their statements this week are \$711,410.18 as compared to \$625,121.25 when the July call was made.

A year ago combined deposits totaled \$646,804.13.

Gustine Deposits Up
Deposits in the First State Bank of Gustine are nearly double those at the time of the last call in July. Present deposits are \$44,900.36, as compared to \$26,382.69 in July.

A year ago deposits at Gustine amounted to \$35,303.27.

We have some very good prices on gas heaters and gas ranges.—Kilpatrick's Hardware Store.

Success Is Easy For You

Success in The Comanche Chief spare-time opportunity entails but little effort, but little sacrifice of spare moments to win a beautiful new 1936 Chevrolet Sedan, or to make up to \$200.00 in cash. And persons will make these amounts in time that might otherwise be wasted these next few weeks. To make this amount usually calls for months and months of hard work.

And the best part of it is that you—yes, YOU—can be the person who will receive this automobile, or these large sums of cash. And remember — "EVERYBODY WINS SOMETHING." It takes no more time or energy to win a big prize than a small one.

Right now all are on even terms. Right now any candidate, or an entirely new candidate, can get in, make a start, really carry on and go over the top for a beautiful Chevrolet Sedan. There are no handicaps. Thus far very few of those nominated have made much effort in the way of securing subscriptions. Just a few of those nominated have turned in a single subscription. You have been thinking about carrying on in this great campaign. Don't let another day slip by without seeing you are an ACTIVE candidate for one of the capital prizes.

The Campaign Department of The Comanche Chief is open each evening until 9:00 o'clock to answer inquiries and issue supplies, and to receive new candidates. The telephone number is 2. Use it if you can't come to the Campaign Department.

You Can Get Ahead

The chief trouble with lots of people is that their eyes are too close to the grindstone for a mere living to see real opportunities. Or they are unwilling to devote the spare moments they have to bettering themselves. They would rather "get by than get ahead." Look around you and you will find that the men and women who are wide-awake to opportunity to better themselves and their conditions, who are willing to sacrifice some of the little pleasures their evenings might give—are the ones that achieve success in life.

It is quite puzzling to the management why so few readers have taken advantage of The Comanche Chief Prize Campaign. While this newspaper has been commended on all sides for its generosity, the lack of interest being taken, the few people who have been nomination, is almost unexplainable. This is especially puzzling in view of the number and value of prizes that are to be distributed within the next few weeks, regardless of how few subscriptions are turned in.

More candidates are wanted, and nominations should reach this office at once to be included among the names of candidates that will share in the distributions of really wonderful prizes.

It's time for this community to wake up to the fact that this newspaper is making the largest award of prizes ever heard of. This is not a something-for-nothing proposition, but it is a clean-cut business proposition. It costs you nothing to enter and participate in the lavish prizes distribution.

PRESBYTERIAN CHURCH NEWS

The Sunday School officers are happy in the steady increase of our Sabbath School attendance. This past Sunday our Secretary reported an attendance of 57 which shows an increase of 28 during the past month. Mrs. Kilpatrick's class of little folk won the class attendance record for the day with fifteen present. And fifteen juniors were reported in attendance also.

We cordially invite any folk in our community, who have no other church home, to come and find a place in one of our Sabbath School classes.

We were delighted with the fine young people who formed the choir last Sunday evening. And we are anticipating some splendid music at our evening services at which the young people of the church are here after going to lead the singing in the choir.

On Friday evening 7 p. m. at the recreation hall of the church the pastor invites all boys of the community who are interested in Scout work and who are not connected with some other church or scout organization. An evening of fun has been planned, and while we are not definitely planning the organization of a scout troop we want to make a place in our church program for the boys of scout and cub scout ages.

Friday evening the church recreation hall the Young People of the church held a get-together social to meet the pastor and his wife. A fine evening of games and fun was enjoyed, and refreshments were served by Kate Sullivan Hollis and Mary Hutchison.

Those present were Kathleen Hughes, Ruth James, Louise Holmes, Mary Hutchison, Joe Carnes, J. B. Carnes, Richard Slicker, Mrs. E. N. Timmons, Meta Bennett, James Slider, John Hoff, Tom Hutchison, Ruth Sullivan, Grace Hughes, Kate Sullivan Hollis and Rev. and Mrs. Hazel.

Mrs. Clark, president of the Women's Auxiliary is away on a month's trip to California and Mrs. Chilton the vice-president is ably handling the Auxiliary in her absence. Thursday of this week the Auxiliary is having an extended missionary program with supper at the church. All members of the church are cordially invited to this meeting.

COUNTY COTTON CROP SHOWS TO BE SHORT OF YIELD LAST YEAR

Comanche County had ginned 3,518 bales of cotton to Oct. 18, compared with 4,204 ginned to the same date of a year ago. The State figures show a shortage of several thousand bales as compared to a year ago. Figures show a somewhat smaller crop this year than was harvested in 1934.

Lady Took Cardui When Weak, Nervous

"I can't say enough for Cardui. I talked all day," enthusiastically writes Mrs. L. H. Caldwell, of Statesville, N. C. "I have used Cardui at intervals for twenty-five years," she adds. "My trouble in the beginning was weakness and nervousness. I read of Cardui in a newspaper and decided right then to try it. It seemed before I had taken half a bottle of Cardui I was stronger and was soon up and around."

Thousands of women testify Cardui benefited them. If it does not benefit YOU, consult a physician.

Sure Relief for Malaria!

Don't try homemade treatments or newfangled remedies! Take that good old Grove's Tasteless Chill Tonic. Soon you will be yourself again, for Grove's Tasteless Chill Tonic not only relieves the symptoms of Malaria, but destroys the infection itself.

The tasteless quinine in Grove's Tasteless Chill Tonic kills the Malarial infection in the blood while the iron it contains builds up the blood to overcome the effects of the disease and fortify against further attack. The twofold effect is absolutely necessary to the overcoming of Malaria. Besides being a dependable remedy for Malaria, Grove's Tasteless Chill Tonic is also an excellent tonic of general use. Pleasant to take and absolutely harmless. Safe to give children. Get a bottle today at any drug store. Now two sizes—50c and \$1. The \$1 size contains 2½ times as much as the 50c size and gives you 25% more for your money.

Rep. R. A. Luker Wants People to Know of Law

The report of the conference committee on House Bill No. 26, "the old age pension bill" appears in House Journal of November 6, beginning at page 318. This report was adopted by the House November 7 and will likely be adopted by the Senate and thus become the law. As many readers will be wanting to know the provisions of this law, I am merely calling attention to it for purposes of information. Yours very truly, R. A. Luker.

No need to ask: "Is the water hot?"

"What a sight! Go get cleaned up this minute," Mrs. Jones used to say when Sonny came in from football. Soon from the bathroom would come a triumphant announcement: "Can't bathe. Water's cold." But since the Crane Automatic Water Heater was installed, Sonny's lost his alibi. Indeed, he actually seems to like his health-giving shower after play. Which is one more daily difficulty off Mother's hands.

Let us demonstrate how conveniently, unflaggingly, and economically, this all automatic gas water heater keeps plentiful hot water waiting.

Celebration Is Scheduled To Be Held At Energy

One of the biggest celebrations ever held at Energy has been announced for Thanksgiving Day according to Charles D. Deisher, school principal, who said that committees were at work on the projects.

Hundreds of children from other schools of the county are expected to attend and take part in the activities which will include a basketball tournament, featuring a game with the players riding horses.

Mr. Deisher's statement follows:

A basketball tournament, turkey dinner, basket ball games on horses, are to be featured at Energy on Thanksgiving Day.

Over twenty-five dollars worth of medals and trophies are to be given to winning teams, individual players, all tournament team and honor medals for best sportsman. Gold medal basketballs and charms for players of winning teams. Large trophy for winner of boys division. The girls also will have a chance for some of the individual awards. No entry fee will be charged. Just get in touch, at once, with Chas. D. Deisher, principal of school.

A game on horses will be one of the attractions for miles around. It will be something new for this part of the county.

Competent referees will be given all teams who enter. The tournament is for schools of Comanche, Erath and Hamilton Counties, that were classed as rural last year, not having over four teachers.

There will also be a division for Class B boys if they wish to enter.

The turkey dinner will be provided by the Energy P. T. A.

A REAL WHALE

Remember Moby Dick? And did you ever see a whale? Not a whale in Moving Pictures, but an honest to goodness whale in the flesh? No? Well, here is your chance.

Representatives for the Eureka Whaling Company of Long Beach Calif. were in Comanche yesterday making arrangements with the City Officials, to bring to Comanche their Mammoth Marine Exhibit, which features a monster whale, fifty-five feet long and weighs more than sixty-eight tons.

Accompanying the whale on its trans-continental tour are many other species of marine life including a giant Octopus, Electric ray fish, huge man-eating sharks, and the only traveling exhibit of live penguins in America.

An added feature with the exhibit is Madame Sirwell and her troupe of educated Fleas, performing many daring stunts that you would see at a Circus. They ride bicycles, skip ropes, kick foot balls, juggle and actually pull little wagons weighing 6000 times their own weight.

The exhibit is on a special constructed all steel railroad car, over 100 feet long, and will be placed on a railroad siding near West Main Street Railroad Crossing for exhibition next Thursday, November 21.

Everywhere that this Exhibit car has appeared, it has created a wide community interest because of its educational value to the younger element, who can see at first hand what their parents in most instances have not been able to witness during their lives.

Captain David Barnett, veteran whaling commander, will appear here personally with the exhibit, and is "Skipper" in charge of a crew of thirty men that accompany the whale. They explain the modern and old time methods of whaling. Exhibit open from noon until 10 p. m.

COMANCHE vs. GUSTINE

RED CROSS REPORTS BUSY YEAR AIDING DISASTER VICTIMS

**Tornadoes, Fires, Hurricanes,
Floods, Epidemics, Make
Record of Year**

The American Red Cross assisted sufferers in more disasters throughout the United States during the year ending June 30, 1935, than through any similar period in the peace-time history of the organization, Admiral Cary T. Grayson, chairman, revealed recently in commenting on the annual report which has just been released.

"The 123 domestic disasters in which the Red Cross extended aid during the fiscal year exceeded by 56 per cent the average over the past few years," Admiral Grayson said. "Not only was the period heavy in the number of disasters, but the geographical distribution was wide, with 37 States and 353 counties affected."

"Through these disasters and times of community distress, the Red Cross assisted 110,000 persons," the Admiral disclosed.

Spectacular service was rendered in many disasters because of the uniqueness of the problems and the far-flung points affected. The work of the National organization covered in the report carries stories of the *Morro Castle* burning; the trench-mouth epidemic in the beautiful San Luis Valley of Colorado; the great fight over a wide front in the midwest dust bowl against respiratory diseases; floods, hurricanes, and tornadoes in many sections of the United States.

In addition to the disasters taking place within the continental limits of this country, Admiral Grayson pointed out that work had been

made necessary by disasters in Hawaii, Puerto Rico, and the Philippines, where 26 disasters were recorded in that archipelago. The American Society also assisted the Red Cross of two foreign countries in caring for victims of floods and earthquakes.

The variation of types of disasters called for expert council on matters relating to health and nutrition as well as epidemic prevention. Last year's work proved the value of the structure and administration of the Red Cross disaster relief, the Admiral said, the very frequency of occurrence and the variety of types constituting a severe test of the organization chartered by Congress to handle this type of National relief.

Expenditures of the Red Cross for relief of persons stricken by disasters within the continental United States amounted to \$464,413. In addition, \$75,000 was sent to the Philippines to assist them in three major relief operations necessitated by typhoons, \$5,000 went to victims of the Indian earthquake, and \$5,000 to Poland for victims of severe floods. A number of smaller foreign emergencies called for sums totaling \$2,500.

The months of February, March, April, May and June were heaviest for tornado disasters. Floods occurred throughout the year. Serious fires calling for Red Cross assistance took place during July and December. A devastating explosion took place in Tennessee during April. Most of the hurricanes struck States along the east coast during the fall and early winter.

"All of this assistance to persons in distress," Admiral Grayson pointed out, "was only possible through generous contributions made by citizens in all sections of the country." Most of this support of the disaster relief service comes from the annual Roll Call held each year from Armistice Day to Thanksgiving Day.

The Red Cross has assisted 54,305 veterans in clearing their cases through the U. S. Veterans' Bureau this past year.

DANFORTH WILKERSON AND MISS REGISTER ARE MARRIED SUNDAY

Danforth Wilkerson, son of Mr. and Mrs. Marion Wilkerson of Comanche, was married at the Presbyterian Church in Hamilton Sunday to Miss Maurine Register of that city, the pastor officiating.

Immediately following the marriage, Mr. and Mrs. Wilkerson left for a trip to San Antonio and other South Texas points. They will continue to make their home in Hamilton.

Mrs. Wilkerson is the daughter of Mr. and Mrs. Shade Register of Gentry Mills, a pioneer and influential family of Hamilton County. Mr. Register is a former Hamilton County Tax Assessor.

Mrs. Wilkerson after finishing Hamilton High School and taking a college course returned to Hamilton to accept a position in a bank. She is prominent in social and church affairs of that city.

After finishing Comanche High School Mr. Wilkerson graduated from S. M. U. at Dallas and was a member of the Mustang football team. For several years he has been with the Higginbotham Lumber Company at Hamilton.

Mr. and Mrs. Marion Wilkerson visited their son and his wife Sunday before the latter left on

MISS REGISTER IS HONORED WITH SHOWER

Mrs. Cecil James, assisted by Mrs. Lillian Bolding, entertained with a miscellaneous shower at her home in Hamilton last Tuesday evening complimenting Miss Maurine Register, bride elect of Dan Wilkerson. The home was beautifully decorated with bowls of yellow chrysanthemums and ferns, states The Hamilton County News.

Games of contract and auction bridge and "42" were enjoyed. Following the games Betty Sue Register, sister of the honoree, entered as a messenger and delivered the beautiful array of gifts.

A dainty refreshment plate consisting of creamed chicken, rosettes, bread and butter sandwiches, olives, stuffed dates, and hot chocolate was served.

TWO LOCAL STUDENTS NAMED ON HONOR ROLL A TARLETON COLLEGE

Horace L. Geyer, and Mary E. Jones, Comanche, are included on the list of 78 students on the honor roll for the first preliminary period at John Tarleton College, as announced from the registrar's office.

Their trip and the young couple is expected to return from their visit this week end.

Harmony

Mrs. J. F. Gober, assisted by Miss Rena Owen, entertained at her home Wednesday afternoon with a shower for Dallas Ray Phillips, small son of Mr. and Mrs. Hubert Phillips.

After a number of games and contests Mrs. Phillips was declared the winner and was presented a basket of gifts, including a number from friends unable to be present, in behalf of her son.

Refreshments were served to Mesdames E. A. Rogers of Mercer Gap, Sherman Smith and Miss Emma Smith of Holcomb; Mesdames O. T. Swindell, Earl Hanson, H. B. Rogers, Martin Hanson, J. W. Phillips, O. B. Phillips, Lee Phillips, J. H. Phillips, Z. R. Rogers, Itha Gober, J. I. Smith and the hostess, of this community.

Mr. and Mrs. Ira Fletcher made a trip to Gorman Saturday where Mrs. Fletcher received medical attention.

Howell Edwards of Cotton Grove spent Friday night with Euell Rogers.

Martin Hanson and family visited his son, Melvin, at the Dublin CCC Camp Saturday.

John Rogers of Fort Worth is visiting relatives here.

Mrs. Otha Gober is visiting Mr. and Mrs. Wayne Gober at Soda Springs, who are the parents of a new son, Roger Wayne.

Several from this community attended the sacred harp singing at Brysonville Sunday.

Lady's Painful Trouble

Helped By Cardui

Why do so many women take Cardui for the relief of functional pain at monthly times? The answer is that they want results such as Mrs. Herbert W. Hunt, of Hallsville, Texas, describes. She writes: "My health wasn't good. I suffered from cramping. My pain would be so intense I would nauseate me. I would just drag around, so sluggish and 'do-less.' My mother decided to give me Cardui. I began to mend. That tired, sluggish feeling was gone and the pains disappeared. I can't praise Cardui too highly because I know it helped me." ... If Cardui does not help YOU, consult a physician.

GOOD NEWS

Breaks Pig Bank!

Thomas McGonigle, carpenter, put five cents in the pig bank every day. That is what he figured he saved by doing without a telephone. He had put in \$4.35 before he found out that a man had tried to call him first, then paid \$19.00 elsewhere for some work. The \$4.35 saved had cost plenty of profit. McGonigle broke his pig bank and ordered a telephone today.

How Calotabs Help Nature To Throw Off a Bad Cold

Persons have found in Calotabs a valuable aid in the treatment of colds. They take one or two tablets every day and repeat the dose if a cold is needed. Calotabs help Nature throw off a bad cold by stimulating the kidneys, promoting the elimination of cold poisons from the system. Thus Calotabs serve the double purpose of a purgative and diuretic, both of which are needed in the treatment of colds. Calotabs are safe, pleasant, and effective. They are available at all drug stores.

I'M SOLD

It always works

Just do what hospitals do, and the doctors insist on. Use a liquid laxative, and you can bring yourself to clocklike regularity without strain or ill effect.

A liquid can always be taken in gradually reduced doses. Reduced dosage is the secret of any real relief from constipation.

Ask a doctor about this. Ask your druggist how very popular Dr. Caldwell's Syrup Pepsin has become. It gives the right kind of help, and right amount of help. Taking a little less each time, gives the bowels a chance to act of their own accord, until they are moving regularly and thoroughly without any help at all.

Dr. Caldwell's Syrup Pepsin contains senna and cascara—both natural laxatives that form no habit. The action is gentle, but sure. It will relieve any sluggishness or bilious condition due to constipation without upset.

What Is Your Stand?

A Two Minute Sermon By
William J. Hazel, Pastor of the
Local Presbyterian Church

The matter of choice has always been a most difficult thing for men and women. It is a tremendous obstacle to progress and success. Man is a creature of compromise. The early Christians had to make a choice between one God and many Gods. There was no middle ground for them. But today we compromise in almost everything we do or believe in. We call ourselves Christians, a Christian nation, yet we find ourselves unable to make a choice between war and peace. We compromise, and retain both the machine gun and the Red Cross.

The week all over the nation here has been heard much regarding the merits of peace and the horrors of war. Much eloquence, long speeches by supposedly noted men have come to us over the radio, and yet as one noted and distinguished British journalist says, "Some people never find the right path until they have bruised their feet on all the wrong ones." We have not only the words and principles of Jesus, but also the accumulated wisdom and experiences of the ages available to us, yet we seem unable or unwilling to make a definite choice and stand by it. We refuse to come out Christian against war.

One man speaking over the radio this past week made this statement: that if all the people who called themselves Christians would stand for the things they confessed to believe there would be no more wars. But instead we compromise, and our children still play war with pistols and toy swords. We let our boys and young men go into boyhood and young manhood. How much suffering, how much sorrow, how many saddened and broken lives might be avoided if we as Christian people would actually make a choice between war and peace, and stand by that choice.

Again I say, we compromise. We go steadily on building monuments of destruction on the one hand while on the other, even during this particular week, our radios resound with propaganda for peace.

Peace will come, only, when Christian people stand for the principles of Jesus that we profess to believe. Then, and only then, will all wars cease. What is your stand?

JACKETS WIN OVER LOCALS

Playing in near freezing weather on a heavy field on the John Tarleton gridiron before a small and shivering crowd, Coach Glen Frazier's luckless Comanche Indians suffered their fifth defeat of the season Armistice Day when they went down fighting before the Stephenville Yellow Jackets, 7 to 0.

Although slightly outclassed by the heavier and faster Stephenville team, Comanche lacked but one play getting off with scoreless tie.

For nearly two quarters the Indians stopped every Jacket threat until the last minute of the first half when the Stephenville boys made it first down on the 13 yard line. For three plays they hit a stone wall and on the fourth down, the Indians had the big Jacket fullback for an apparent loss when he suddenly reversed his direction and outran three Indians to go around left end and make it first down on the two yard line. Even from there it took the Jackets four more downs to get their touchdown and then only by inches, when Woods went over right tackle for the distance.

In the second half the Indians stole the show and put on one of their own for the benefit of the near-frozen fans. Registering three first downs in succession they drove to the eight yard line where their drive bogged down. A few minutes later they intercepted a Jacket pass on the 30 yard line and drove back within the ten yard zone, but their passes failed.

Only once in the second half did the Jackets threaten to score when a fast back got loose for 35 yards before being overtaken and brought down on a flying tackle by Harry Cloud who is getting to be somewhat of a ball player.

Roosevelt Will be Guest of Honor at Centennial

Guest of honor at the Texas Centennial Exposition next year will be President Franklin D. Roosevelt.

In a message from his home in Hyde Park, the Nation's chief executive announced last week that he would attend the Southwest's World's Fair.

Although the exact date for the presidential visit has not been set, the Exposition will set aside the occasion of his visit as President's Day on the fair's program, with special features in the chief executive's honor.

"The President's visit will bring to Dallas the largest gathering in the history of the Southwest and we are preparing plans for an elaborate program," announced William A. Webb, general manager of the Exposition.

Plans include an address by President Roosevelt, with a nation-wide radio hook-up.

The high spot of the evening entertainment will be a mammoth fireworks display, while the afternoon program will include a patriotic demonstration by the 65,000 school children of Dallas. Their numbers will be augmented by thousands of children coming from other cities and towns of the state.

Watch Your Kidneys!

Be Sure They Properly Cleanse the Blood

YOUR kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as nature intended—fail to remove impurities that poison the system when retained.

Then you may suffer nagging backache, dizziness, scanty or too frequent urination, getting up at night, puffiness under the eyes, feel nervous, miserable—all upset.

Funeral Services For Mrs. Salyer Held

Mrs. N. P. Salyer, well-known in the Edna Hill community, died suddenly Sunday morning of last week of a heart attack at the home of her daughter, Mrs. R. J. Tackett.

Since the death of her husband in 1927 Mrs. Salyer made her home with her daughter, Mrs. B. F. Salyer, and on last Saturday afternoon she went for a visit with Mrs. Tackett. She had arisen with the family, eaten her breakfast and was standing in the doorway conversing with her son-in-law when the heart attack struck her.

"Aunt Laurina," as she was called by all who knew her, was born in San Saba County on October 30, 1857, and was the daughter of Mr. and Mrs. J. N. Montgomery. She was married to N. P. Salyer in 1873. To this union four daughters and three sons were born. Five of these survive the mother, and are: Mrs. B. F. Salyer, Mrs. R. J. Tackett, T. H. Salyer, Mrs. R. J. Tackett, T. H. Salyer, A. B. Salyer, Dublin, J. P. Salyer, Burkett.

In 1900 the family moved to Erath County and settled in the Edna Hill community where Mrs. Salyer took active part in church, social and civic work until few years ago. She had been member of the Church of Christ since she was sixteen years old.

Funeral services were conducted at the Barber Cemetery Monday afternoon, Nov. 4th, by the Elder Tom Weeks of Whitney. He was assisted by T. H. Harrell. Both paid a fine tribute to the memory of Mrs. Salyer.

The following grandchildren acted as pall bearers: Curtis, Ruby, Isom, Warrall, Preston and Oney Salyer. Besides the two daughters and three sons, Mrs. Salyer is survived by seventeen grandchildren, twelve great-grandchildren, a brother, R. I. Montgomery of Enid, Oklahoma and one sister, Mrs. Mary Mast of Duncan, Oklahoma.

NOTICE

To the Farmers of Comanche County:

I am making this call to remind you of our regular meeting date at two o'clock Saturday at the courthouse, November 16th. Will say these are very important meetings, and I want to insist on the farmers coming out. I am informed that we are just about to get the job done. All that is necessary is for us to convene regularly and discuss matters pertaining to our final objective. Most of you understand what I mean.

Now don't forget the date and be on hand. I think it very important and necessary for us farmers to get together to discuss matters pertaining to our welfare.

Don't Guess But Know

Whether the "Pain" Remedy You Use is SAFE?

Don't Entrust Your Own or Your Family's Well-Being to Unknown Preparations

The person to ask whether the preparation you or your family are taking for the relief of headaches is SAFE to use regularly is your family doctor. Ask him particularly about Genuine BAYER ASPIRIN.

He will tell you that before the discovery of Bayer Aspirin most "pain" remedies were advised against by physicians as bad for the stomach and, often, for the heart. Which is food for thought if you seek quick, safe relief.

Scientists rate Bayer Aspirin among the fastest methods yet discovered for the relief of headaches and the pains of rheumatism, neuritis and neuralgia. And the experience of millions of users has proved it safe for the average person to use regularly. In your own interest remember this.

You can get Genuine Bayer Aspirin at any drug store — simply by asking for it by its full name, BAYER ASPIRIN. Make it a point to do this — and see that you get what you want.

REV. C. H. COLE IS NAMED AS LOCAL M. E. MINISTER

Other Appointments Are Made At Conference Held by the Central Texas Group

Rev. C. H. Cole of Wink was appointed pastor of the Comanche Methodist Church at the conclusion of the Central Texas Conference Sunday at Brownwood. He is due to preach his first sermon as pastor here Sunday.

Rev. Cole comes highly recommended by Presiding Elder Dr. J. E. McClure as one of the outstanding ministers of this section of Texas.

Rev. M. S. Leveridge who has been pastor at Comanche for the past year was sent to Wink in exchange of pulpits with Rev. Cole. Rev. Leveridge came to Comanche from Sudan and had a successful year with the local church.

Rev. G. G. Smith of the De Leon Circuit was appointed pastor on the Comanche Circuit, succeeding Rev. Boyd W. Kramer who was sent to Brittan in the Corsicana District.

Other Appointments
Rev. J. M. Wynne, former pastor here was returned for his seventh year at Granger, an unusually long time at one place for a Methodist minister.

Rev. J. L. Ray, former pastor on the Comanche Circuit was returned to the Waxahachie Circuit. Rev. Ray has also been at Waxahachie longer than the four year period which requires a unanimous petition from official members of his church for a return.

Rev. R. J. LaPrade who was pastor at Comanche at the time of the erection of the church, was returned to Graham for his third year as pastor.

Rev. J. L. Evans, for two years pastor of the local church, who was at St. John's Church of Waco last year, was appointed pastor at Grandview.

Rev. J. M. Bond, pastor here in 1930, was transferred from Ranger to the First Methodist Church at Weatherford.

Dr. McClure was returned to Brownwood as Presiding Elder of this district.

J. D. Smoot of Comanche was again appointed as Conference Evangelist.

Rev. C. C. Henson, pastor at De Leon, who conducted the revival here last summer, was appointed as pastor of the St. John's Church at Waco and was succeeded at De Leon by Rev. R. G. Percival. W. E. Harrell was made pastor on the De Leon Circuit.

Rop L. Crawford was appointed pastor at May and G. C. Williams was reappointed at Sipe Springs.

Rev. G. R. Thomas, Jr., was reappointed to the Gustine-Lamkin charge.

Rev. E. M. Dailey, former pastor on the Comanche Circuit, was sent to Desdemona and Rev. O. A. Morton, former Gustine pastor, was reappointed to Talpa.

Comyn Farmers Hold Discussion On AAA Program

Comyn Farmers met in an Evening School meeting held at the school building last Monday night, Nov. 11th, for the purpose of studying latest information on the AAA program. The subjects discussed were the cotton, peanut, soil conservation, and potato programs. The meeting was conducted by W. Doyle Graves, Vocational Agriculture teacher of Comyn High School.

Since the Irish Potato has been placed on the basic commodity list and allotments will be made to individuals, this program was discussed thoroughly. In order to help get the largest quota possible for Comanche County, thirty-four farmers gave in the amount of potatoes produced on their farms during the past four years. These thirty-four farms show a production of 282,848 pounds of Irish potatoes produced on an annual average of 1595 pounds.

Those giving this information were: Whit Sides, Jesse Barnes, Mrs. Grissom, F. M. Sides, G. H. Gilder, S. F. Kinnard, J. A. Vinson, O. H. Cox, E. W. Campbell, C. Hulsey, D. C. Summers, E. Thompson, D. O. Gray, W. H. Sturdivant, W. J. McGinnis, W. H. Caffey, W. O. Jay, C. C. Campbell, O. C. Blanton, J. J. Montague, Mrs. M. Cook, J. H. Chandler, L. G. Caraway, Mrs. O. W. Kendall, R. D. Hughes, O. E. Rippete, C. Mearns, C. E. Hodges, W. H. Spencer, W. T. George, F. D. Ross, G. E. Ross, W. P. Alexander, F. P. Barker.

HARLEY'S ADLER TO GIVE SHOW

Will Present Baily Brothers Three-Ring Circus

The circus is coming to town! Harley Sadler's Big 3 Ring Circus and Baily Bros. Combination, will be presented in Comanche, Monday, Nov. 18th.

Jack Hoxie, a troop of fun makers headed by Buck Baker, long-time Ringling Bros. clown, twenty-five trained dogs, and an Apache Mexican Mustang known as "the horse with human brains" will be featured at the afternoon and evening performances of Baily Brothers Three Ring Circus, which will show here next Monday afternoon at 2 o'clock and Monday night at 8 o'clock on the lot across from the Jail.

An old-fashioned circus parade with highly colored parade wagons, animal cages, beautiful horses, clowns, elephants, and bands will be given at noon. The Chamber of Commerce is sponsoring the circus.

Jack Hoxie, well-known star of the Wild Westerns, will appear in person, riding his own horse, Smokie, the Mexican Mustang, will answer questions, tell the time of day, pick out colors, multiply, add, and subtract. He was brought in as a wild horse that had never been roped or haltered and trained by Fred Leonard.

The Baily Brothers Circus is one of the largest and most colorful circuses on tour today. After Harley Sadler bought it, he purchased new miniature parade wagons, and animal cages to be drawn by Shetland ponies, and added more animals to the menagerie.
